CLE ATHLETIC ACADEMY

2026-2027

PROGRAM INFORMATION

Located in the heart of Northeast Ohio, the Cleveland Athletic Academy is the area's only academic and athletic training facility, designed to help you become an elite hockey player and move onto the next level.

MERGING THE BEST OF ACADEMICS AND ATHLETICS

WHY CHOOSE CAA?

- Freedom to choose an online school that works for you! Whether it is a state school, private school, or even your home district's online option, we do not mandate any online learning system!
- Flexibility in the academic schedule, allowing for less "missed" days on a student's record.
- Teaching staff that assist students in-person, bringing an extra level of support to an online learning environment.

WE GET IT! Our staff understands the rigors of an elite schedule, therefore we strive to help blend academics and athletics together.

OUR PHILOSPHY

We are different than other schools in the sense that there is much more independence here. Our philosophy is to help you transition from traditional scheduling to flexible scheduling, so you can learn to manage your academic and athletic responsibilities with proper time management. As an athlete at Cleveland Athletic Academy, you need to come into our school with the understanding that the responsibility is placed on YOU. Our coaches and teachers are here to help you in learning the responsibilities needed for success, but you must be willing to work every day.
